### Bed Information:

For the 2025 growing season, returning gardeners may reserve up to two 3'X6' raised beds to start. First-time gardeners will be offered one bed. Additional beds may be requested, and will be assigned by May 15 if space allows.

Due to the precarious status of our garden, we will not be charging any bed fees this year. The City of New London is planning to sell the parcel where the garden is located to Habitat for Humanity to build 3 duplexes; we have not been provided with a timeline for removal or relocation of the garden, and do not anticipate that work will begin this year, but we can't be sure. We'll keep all the gardeners posted as best we can.

For returning gardeners, do you want the same bed(s) as last year? Yes / No

Form can be emailed to <[info@riversidecommunitygarden.org](mailto:info@riversidecommunitygarden.org)>, snail-mailed to Riverside Community Garden, PO Box 1082, New London, CT 06320, or we can arrange to meet in the garden (best option for new gardeners).

### Release of Claims:

I understand that the Riverside Community Garden, Riverside Park Conservancy, FRESH-NL, the City of New London or any individual gardeners of the community garden are not responsible for my actions. I therefore agree to hold harmless those parties listed above for any liability, damage, loss, or claim that occurs in connection with the use of Riverside Community Garden by me or my guests. I have received a copy of the rules and guidelines for the garden.

I have read and understand the release of claims.
